BERNSTEIN

Global Wealth Management

Bernstein Global Wealth Management, a unit of AllianceBernstein, is an investment firm that has focused solely on research and investment management for more than 40 years. As a financial advisor and discretionary money manager, we are bound by fiduciary responsibility to our clients; our mission is to help them limit risk and reach their financial goals across market cycles.

To request a Wealth Forecasting Analysis, or to learn more about Bernstein, please call: Adam Epstein, Principal, Financial Advisor at (212) 969-1288 or email him at Adam.Epstein@bernstein.com

GenSpring Family Offices is a leader among multi-family offices and quickly becoming the choice for wealthy families as an alternative to traditional wealth management firms. We exclusively serve wealthy individuals and their families, helping them to solve for the challenges that keep them awake at night. Whether those needs involve tax & estate planning, philanthropy, investments or family governance, GenSpring is able to provide unbiased advice giving our clients control, power and knowledge on their side of the table.

For more information contact Steve Barimo, Head of Innovation & Learning Center or at (866) 506-1989 or email him at Steve.Barimo@GenSpring.com
